

# PRODUCT BULLETIN

EFFECTIVE OCTOBER 2025:  
**TRAMEC SLOAN OFFERS NEW JUNCTION BOXES**

Tramec Sloan adds junction boxes to their expanding Electrical product lineup. Our compact junction box streamlines electrical connections by serving as a central hub for wires, sensors, lights, and more—keeping everything neatly organized. The easy-to-install box is designed to fit seamlessly into existing spaces, saving time and ensuring a hassle-free upgrade.

- Equipped with ring termination and seven durable #10 stud posts
- Built with pass-through grommets to handle cables up to .80" O.D.
- Includes a hole pattern measuring 7.38" center-to-center for easy mounting

**JUNCTION BOXES**
