CONSPICUITY TAPE

ENHANCE VISIBILITY AND IMPROVE ROAD SAFETY WITH DOT-C2 REFLECTIVE CONSPICUITY TAPE

MEETS STRICT DOT-C2 REGULATIONS

This high-performance tape increases vehicle conspicuity in low-light and nighttime conditions, helping reduce the risk of accidents. Engineered with advanced reflective technology, the tape delivers bright, long-lasting reflectivity when illuminated by headlights, ensuring your trailer or truck remains highly visible from a distance. Its durable construction withstands harsh weather, road debris, and frequent washing, making it ideal for heavy-duty applications.

FEATURES & BENEFITS

- Complies with DOT-C2 regulations for commercial vehicles that exceeds NHTSA requirements
- High-intensity reflectivity for maximum visibility
- Weather-resistant and long-lasting durability
- Strong adhesive for easy, secure application
- Available from leading brands for both OEM and aftermarket needs
- Ideal for trailers, trucks, and heavy-duty equipment
- Made in the USA!
