TRAILER TIRE CARRIERS

BUILT TO LAST, EASY TO INSTALL!

Mount Your Spare Tire UP and OUT of the Way

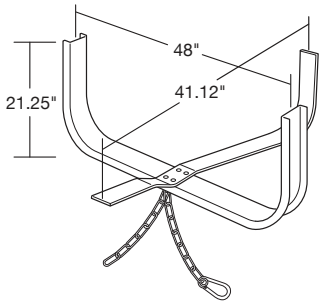

Keep your trailer organized and your spare tire secure with our heavy-duty tire carriers—built for durability, protection, and ease of use.

- **Superior Rust Resistance –** Coated with *InterCoat® ChemGuard*, a corrosion-inhibiting coating that creates a self-healing permanent bond with the galvanized substrate*
- **Secure Fit –** Curved profile design cradles your spare tire, with an included chain to lock it in place
- **Heavy Duty Strength -** Built from 12-gauge formed steel for long-lasting durability
- **Easy Install -** Bolt-on or weld-on mounting kits; no frame drilling required
- **Single or Dual Options -** Haul one spare… or two when the road demands it
- Made In the USA!

* InterCoat® ChemGuard coating not available on dual tire carrier option

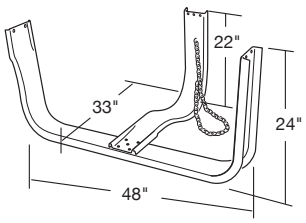

TRAILER TIRE CARRIERS
