3-IN-1 WRAPS WITH RED & BLUE HOSE, SUREGRIP HANDLE AND SONOGRIP® ABS WITH STRAIGHT & ANGLED PLUGS

- Combines connection lines into one tight bundle and prevents tangling
- Two 3/8" rubber hoses feature 1/2" adapter swivel fittings with springs
- Innovative Sonogrip plug has anti-corrosion features for a superior, longer-lasting cable
- Standard rubber SureGrip handles with an ergonomic grip for improved leverage
- Identify wraps at a glance with red and blue rubber hoses that are spiral wrapped for superior abrasion resistance to protect connection lines
- X31C Wide Body Clamp provides best-in-class durability, corrosion free, quick and easy adjustability

**U.S. Patent No. 12,013,062*
