PRODUCT BULLETIN

EFFECTIVE OCTOBER 2025:

TRAMEC SLOAN BROADENS FITTINGS & FASTENERS CATEGORY

Tramec Sloan has introduced a wide variety of new parts to our Fittings & Fasteners product category, now available for the aftermarket distribution channel. Many of the new additions are metric air brake fittings designed to meet the growing demand from fleets and service shops working with European and global vehicle platforms. This addition expands your ability to serve a broader range of customers and vehicles, making it easier than ever to stock the right fitting for every job.

METRIC AIR BRAKE FITTINGS

PART NO.	DESCRIPTION	TUBE	METRIC THREAD	MATERIAL	STD PK	CROSS REFERENCE
S68PMT-4-M10	Push-In Male Connector	1/4"	M10	Brass	5	018045 - Velvac
S68PMT-4-M12	Push-In Male Connector	1/4"	M12	Brass	5	018046 - Velvac
S68PMT-4-M16	Push-In Male Connector	1/4"	M16	Brass	5	018048 - Velvac
S269PMTNS-4-M22	Push-In Male Connector	1/4"	M22	Brass	5	018058 - Velvac
TS994146	Push-In 90° Male Elbow	1/4"	M16	Brass	1	994146 - Mack
S269PMTNS-8-M22	Push-In 90° Male Elbow	1/2"	M22	Brass	5	018059 - Velvac
S269PMTNS-8-M27	Push-In 90° Male Elbow	1/2"	M27	Brass	5	018062 - Velvac
S269PMTNS-10-M22	Push-In 90° Male Elbow	5/8"	M22	Brass	5	018060 - Velvac
S269PMTNS-12-M22	Push-In 90° Male Elbow	3/4"	M22	Brass	5	018061 - Velvac

SPECIALTY FITTINGS

PART NO.	DESCRIPTION	MATERIAL	STD PK	CROSS REFERENCE
TS20725102	Fuel Return Fitting, 3/8" Male End, 5/8" Tube End	Brass	1	20725102 - Volvo
TS2314054000	4-Way PLC Fitting, 3/8"x3/8"x5/32" Tube x 1/8" Pipe	Composite	1	23-14054-000 - Freightliner
TS966145	Steel Plug, M22x1.5	Steel	1	966145 - Volvo
TSV381018	Bead Fitting, 5/8" Hose x M27-2	Brass	1	V38-1018 - Paccar

BULKHEAD FITTING ACCESSORIES

PART NO.	DESCRIPTION	STD PK	CROSS REFERENCE
TSFG9127	Retaining Ring for 1/4" Bulkhead Thread	1	FG9127 - Paccar
TSFG9130	Retaining Ring for 3/8" Bulkhead Thread	1	FG9130 - Paccar
TSFG9133	Retaining Ring for 1/2" Bulkhead Thread	1	FG9133 - Paccar
TSFG9136	Retaining Ring for 5/8" Bulkhead Thread	1	FG9136 - Paccar

FLOORBOARD SCREWS

Our floorboard screws are engineered specifically for securing trailer flooring, providing long-lasting strength and reliability under heavy-duty use. These screws easily cut through wood for fast, secure installation—no pre-drilling required. With a flat, Type F head that sits level with the board surface, they help prevent snags and ensure a smooth, professional finish. The result is a stronger, longer-lasting floor that stays tight and secure mile after mile.

Material: Carbon Steel 1018-1022
Standard: ASME B18.6.3-2013, Type F
Core Hardness: HRC 28~38
Case Hardness: HRC 45 min.
Case Depth: (in.) .011-.005

PART NO.	DESCRIPTION	STD PK	BULK CARTON
423267P	Floorboard Screw, 1/4"-20 x 2"	100	–
423267C	Floorboard Screw, 1/4"-20 x 2"	–	1,700
423274P	Floorboard Screw, 1/4"-20 x 2-1/2"	100	–
423274C	Floorboard Screw, 1/4"-20 x 2-1/2"	–	1,400
423270P	Floorboard Screw, 1/4"-20 x 3-1/2"	100	–
423270C	Floorboard Screw, 1/4"-20 x 3-1/2"	–	900
423271P	Floorboard Screw, 5/16"-18 x 2"	100	–
423271C	Floorboard Screw, 5/16"-18 x 2"	–	900
423272P	Floorboard Screw, 5/16"-18 x 2-1/2"	50	–
423272C	Floorboard Screw, 5/16"-18 x 2-1/2"	–	770
423273P	Floorboard Screw, 5/16"-18 x 3"	100	–
423273C	Floorboard Screw, 5/16"-18 x 3"	–	500
