451057	Chrome	45"	None
451058	Chrome	45"	451009 Clamp
451059	Zinc-Dichromate	45"	None
451060	Zinc-Dichromate	45"	451009 Clamp

POGO PERFORMANCE COMPARISON

When tested, the Tramec Sloan Fat Can Pogo Stick has out-performed the competition. It has a better ability to handle increasing force when compared against the degrees from vertical. The new spring design provides more resistance along with the necessary flexibility needed to function properly.
