DECODING INJECTOR ETCHINGS

All injectors will have these things in this order etched on the body of the injector.

1. Part number: IMPORTANT!! All injectors will start with INJ or HEUI
2. Code: 3 digit code (001,002,003,004,005,030,011,062,144)
3. Date- two forms:
 - 020624 (month, day, year) -would represent Feb 6, 2024
 - H1523 (month, day, year) - the letter corresponds to the month. i.e. H is the 8th letter, August is the 8th month, so this date would be August 15, 2023

The diagram provided below illustrates the importance of each row of numbers.
