PUCK HOSE SEPARATOR

AN INNOVATIVE WAY TO SEPARATE & PROTECT YOUR AIR & ELECTRICAL LINES!

FEATURES & BENEFITS

- The Puck separates your 3/8" air and electrical lines to prevent chafing and tangles
- No tools required!
- Keeps your lines organized and helps prevent kinks
- Made of solid rubber that will not corrode
- For use behind the cab or under the trailer
- Provides a safe way to inspect for line defects by keeping your hoses and cables visible
- One puck is recommended for each foot of hose and cable
- Standard pack includes 5 pucks
